

Halal Certified Calcium Bromide

Halal is an Arabic word means lawful or permitted. It is always mentioned along with Haraam which means sinful or prohibited by Allah. At the same time, you will also be able to find another related term in Islamic food, mushbooh which means doubtful or suspect as it is unclear whether they are Halal or Haraam. For mushbooh food, the products' source and manufacturing process need to be audited to decide whether it's halal or haraam.

Calcium Bromide

Calcium bromide is the calcium salt of hydrobromic acid with the chemical formula of CaBr_2 . It is a white powder that reacts with water to form the hexahydrate. CaBr_2 is mainly used in drilling fluid. Calcium Bromide is general recognized as halal. We will still audit another 2 key points to make sure that our Calcium Bromide is 100% halal: Are there any pig products used in manufacturing process of this ingredient? Does the ingredient contain Alcohol (impure) or other haraam ingredients?

The manufacturing process of Calcium Bromide is pig-free; the raw materials (or culture medium) are . No other haraam ingredients will be used used in manufacturing process of Calcium Bromide.
