

Halal Certified Curcumin

Halal is an Arabic word means lawful or permitted. It is always mentioned along with Haraam which means sinful or prohibited by Allah. At the same time, you will also be able to find another related term in Islamic food, mushbooh which means doubtful or suspect as it is unclear whether they are Halal or Haraam. For mushbooh food, the products' source and manufacturing process need to be audited to decide whether it's halal or haraam.

Curcumin

Curcumin, CAS# 458-37-7, is a mixture of natural ingredients isolated from turmeric, available as Yellow Orange Powder.

Curcumin is widely used as nutritional supplement. It is widely accepted as safe additive in many countries. Curcumin is general recognized as halal. We will still audit another 2 key points to make sure that our Curcumin is 100% halal: Are there any pig products used in manufacturing process of this ingredient? Does the ingredient contain Alcohol (impure) or other haraam ingredients?

The manufacturing process of Curcumin is pig-free; the raw materials (or culture medium) are . No other haraam ingredients will be used used in manufacturing process of Curcumin.
