

## Halal Certified Potassium Bromide

Halal is an Arabic word means lawful or permitted. It is always mentioned along with Haraam which means sinful or prohibited by Allah. At the same time, you will also be able to find another related term in Islamic food, mushbooh which means doubtful or suspect as it is unclear whether they are Halal or Haraam. For mushbooh food, the products' source and manufacturing process need to be audited to decide whether it's halal or haraam.

### **Potassium Bromide**

**Potassium bromide, CAS:7758-02-3** is a salt, widely used as an anticonvulsant and a sedative in the late 19th and early 20th centuries, with over-the-counter use extending to 1975 in the US. Its action is due to the bromide ion (sodium bromide is equally effective). Potassium bromide is used as a veterinary drug, as an antiepileptic medication for dogs. Potassium Bromide is general recognized as halal. We will still audit another 2 key points to make sure that our Potassium Bromide is 100% halal: Are there any pig products used in manufacturing process of this ingredient? Does the ingredient contain Alcohol (impure) or other haraam ingredients?

The manufacturing process of Potassium Bromide is pig-free; the raw materials (or culture medium) are . No other haraam ingredients will be used used in manufacturing process of Potassium Bromide.
