

## Halal Certified Tween

Halal is an Arabic word means lawful or permitted. It is always mentioned along with Haraam which means sinful or prohibited by Allah. At the same time, you will also be able to find another related term in Islamic food, mushbooh which means doubtful or suspect as it is unclear whether they are Halal or Haraam. For mushbooh food, the products' source and manufacturing process need to be audited to decide whether it's halal or haraam.

### **Tween**

**Tween**, CAS# 9005-65-6, is a polysorbate surfactant manufactured through chemical synthesis from [Sorbitol](#), available as Lemon colored oily liquid. Tween is widely used as emulsifier. It is affirmed by US FDA as GRAS (generally recognized as safe) and widely accepted as safe food additive in many countries with E number E433. Tween is general recognized as halal. We will still audit another 2 key points to make sure that our Tween is 100% halal: Are there any pig products used in manufacturing process of this ingredient? Does the ingredient contain Alcohol (impure) or other haraam ingredients?

The manufacturing process of Tween is pig-free; the raw materials (or culture medium) are . No other haraam ingredients will be used used in manufacturing process of Tween.
